It isn't so long ago that a silk gown was a costume reserved for occasions more or less ceremonious. There is scarcely any time during the day or night when silken garments cannot be worn with the utmost propriety. USEFUL HINTS TO KNITTERS

Things to Do and Not to Do, According to Advice by an Authority to Beginners.

Here are a few suggestions offered by an authority for beginners knitting

Keep scissors, tape measure and wax in knitting bag and a large-eyed needle pinned on sock, ready to splice yarn, and wax end of yarn before putting in needle.

Use Doan's Kidney Pills. They have made life more comfortable for thou-sands of elderly folks.

An Indiana Case Mrs. R. P. Feaster, W. South St., Greenfield, Ind., says: "I had a terrible, spell of gravel and passed several stones. A little cold was enough to put me in bed and I had pains all through my back. My kidneys didn't act right at all. My ankles and limbs swelled, and I %. on.
